***“We are guilty of many errors  
And many faults  
But our worst crime is  
Abandoning the children  
Neglecting the fountain of life;  
Many of the things we need can wait,  
The child cannot wait.  
Right now is the time  
His bones are being formed  
His blood is being made and  
His senses are being developed.  
To him we can not answer “Tomorrow”  
His name is “Today”***
